St. Edward is full of dedicated people. However, they are not appreciated until they are gone, leaving a void difficult to fill. Such is the case with Br. Gerard. His many years at St. Edward attest to this fact. His influence was felt both in class and out by his good example. His death is a loss, not just to St. Edward, but to the entire Christian Community.

This year's Varsity Football team can boast a name no other team in the school's history could: Undisputed Crown Conference Champs. The newspapers said it would be a rebuilding year for us. We finished the year with a 9-1 record — the best record ever in the history of the school. We should have more rebuilding years if they'll be like this one was.
